This image shows a blank, aged, cream-colored page from a ledger or account book. The page is ruled with a grid of blue horizontal and vertical lines. A prominent red vertical line runs down the left side, creating a narrow margin. The paper shows signs of wear, including brown stains and foxing, particularly along the right edge and bottom. The binding edge is visible on the left.

Mrs. Bates.

This image shows a blank, aged, cream-colored page from a ledger or account book. The page is ruled with a grid of blue horizontal lines and vertical red lines, creating columns of varying widths. The paper shows signs of wear, including brown stains and foxing, particularly along the left edge and in the center. The right edge shows the binding of the book.

R. J. Carbett

1897

This image shows a blank ledger page with a grid of blue and red lines. The grid consists of 10 columns and 20 rows. The columns are defined by vertical lines, with the first column being the widest and the last column being the narrowest. The rows are defined by horizontal lines. The page is otherwise empty, with no text or markings.
